Press, but Judge Joseph E. McDonald, one of the most prominent democratic candidates for Pratt's seat in the United States Senate, calls himself a hard-money man. this way: He was for abolishing the na- problem. tional bank system-(good democratic doctrine-ED.) and for substituting their cur- To the Editor of the Sentinel: rency with greenbacks, but he was in favor of contracting our circulation from this amount till it should be brought to a par with gold that we might reach forty miles northwest of the city of "conspecie payments. He is opposed to the repeal of the gold law of 1869, and says the 5-20 bonds must be paid in gold. This is contrary to the wishes of nine-tenths of the an average county in population, wealth and we won our great victory. Although Mr. McDonald is an Indianapoiis man, we can not see how the representatives from that heard on a few of the important questions county can support him and respect the which will probably present themselves for wishes of their constituents. Frank Landera, the democratic congressman-elect from eral that district, has said since his election that perhaps most he would vote for the repeal of the law of 1869, for that is the grounds upon which the United States senator to succeed Senator people elected him. Judge McDonald need Pratt. And in our present will confine our not expect to receive the support of our representatives for that exalted office upon prospective candidates have been spoken of, such a declaration as he has made.

[From the Lafayette Courier. The contest for Senator of the United and Voorhees with a good deal of vigor. The been identified with us, found fighting in the a very solemn and pathetic manner that he much and will be glad to repay when mainder of his life to the practice of though not baving the pleasure of a perthe law. This was done at a time sonal sequaintance with either of the genhis energies to secure the prize. More should ask ourselves the question, as concrafty than McDonald, he may possibly se-sistent democrats and patriots, which of cure his election. He was one of the salary these gentlemen should receive our support. democratic party. His record has little to sidering these questions let us reverse their commend it to the approval of any right order. thinking man. His entrance into public life was characterized by bitter opposition the disaffection of the honest rank and file to the just measures of the republican party, of the republican party, who have refused to the Union throughout the war and his longer to sanction the acts of that party by The salary grab ought to defeat him.

[From the Danville Union.] We have retrained from taking any part in being a republican, but we have more than majority of our contemporaries-the Hon. Joseph E. McDonald. We believe the happiest moment of his life to be permitted to introduce Horace Greeley to an audience at Indianapolis when the old "farmer" took stituents lost confidence in him and his competitor succeeded him. Then Daniel, like poor Tray, by an illy-considered act besmirched the record of a long and faithful consummate the salary grab. Voorhees, we should not do. erat could be elected in Holman's district; ganization. More anon. Kerr should be the next speaker; a republican governor would succeed Hendricks if he should be selected; and no obscure man could cope with Morton. It is better to send | CEASE FROM STRIFE ABOUT MEN-BEWARE OF a hard money man than a salary grabber.

[From the Fort Wayne Sentinel.] more important every day. Mr. McDonald has been discussed by the democratic papers continues to be the choice of the conserva- of our state entirely too much. And in that The salt cost one cent a pound and Wildtive element of the democracy, but his discussion some of the papers have indulged ridge and sellers paid 25 cents for it. That attitude on the currency question is cer- in the use of language that, no demotainly not all that can be desired. As be- crat should ever apply to a brother tween the two men (McDonald and Voor- democrat. Indeed, some of the writers hees) there should be no hesitation in seem to be trying to exhaust the vocabulary making choice. While the former is of abusive epithets on those who differ with vacillating, the latter is boldly committed to them as to who our senator shall be. To the scheme for the repudiation of the 5 20 ble men must know that such contentious talk about men can only tend to weaken the democratic. He respects the law of 1869, which makes the 5-20s payable in gold, not because they should not be paid in greenbacks, but because it is a law of the land, and as such should be weaken should be well as a law of the land, and as such should be well as a law of the land, and as land of the land, and as a law of the land, and as a law of th a tatal heresy. Mr. McDonald during me this is extremely mortifying. And I hundred at the altar for prayers. On Sunthe beginning of the campaign was rather think it must be equally so to all who are day, the 13th, a new church was dedicated in While advocating in a general way an life. And we could not possibly do anyultimate resumption of specie payments, thing that could bring our destruction he is willing to pave the way to that result by retiring the national bank notes and office. For the good book tells us "a house supplying their place by an equal issue of divided against itself can not stand." Then greenbacks. It is urged in Mr. McDonald's we, as democrats, should be exceedingly behalf that he is at heart a hard-money man, and that, when the crisis comes, he will be found in the band of the resumptionists. The democratic party. In conclusion, let ing sketch of an ecclesiastical free fight in the band of the resumptionists. The democratic party. In conclusion, let that city: About 10 o'clock on Tuesday Very probably this is true. He may be quarrel in your paper. But in night a disturbance occurred in the Ebenezer paper in his assertion that the time for re-place of that make an earnest sumption has not yet come. It may appeal to our brother democrats African M. E. Church, which caused great be that when the time does come, he will work for it with all his feverish strife. There is no necessity for it. persons and others congregated about the soul and strength, but his faint, half-hearted We have so many good men in our party church and adjacent thoroughfares. Some defence of the law of 1869, and his evident sympathy with the green back school, are matters which can not be left out of the account. Mr. McDonald appears to be attempting to curry favor with both parties. He is willing to repudiate in part the democratic will be infinitely better than Dan. Pratt. Then let all true democrats wish for leaders, said leaders having much to say on willing to repudiste in part the democratic party. the union of the democratic party. S. M. Holcomb, SR. inflationists his sympathy. It is very much to be doubted if this sort of policy will win. The statesmen of the coming Congress must make up their minds to take a firm stand on one or the other side A FARMER HIPS THE NAIL ON THE HEADof the currency problem. Those who are LESS EXPENSES AND NO INF not for resumption are against it. The issue To the Hon. Daniel W. Voorhees: not for resumption are against it. The issue can not be put off in the distant future. The day for shirking responsibilities is about passed, the republican party has been kicked out of power for a failure to meet this and farmer of DeKalb county, and was once an farmer of DeKalb county, and was once an expense of the congregation, where were the true of the congregation, where were the true of the congregation. fairly and squarely for specie resumption gles of the past. I am sorry to see you take members to make an attack on the church
